ROBLOX released the "Achievements" update on June 20, 2017. This update introduced many new features for games, such as achievements, friends-lists, and more. Players can earn rewards by accomplishing certain tasks within their games and taking a screenshot to get them.

On December 14th 2018, ROBLOX announced that there would be no more updates to this system and any items uploaded would not be safe after February 10th 2019. They also announced that they will be releasing a replacement system to store game files. On February 9th 2019, ROBLOX announced that the upcoming upload system is going to be called "ROBLOX Studio".[97]

When you wish to get free robux on roblox, then I am sure you have tried quite a few different methods. There are some tools that are really good, but most of them are downside when it comes to how fast they can get you robux. This tool is one of the top ones as it can get you free robux on roblox very quickly without even having to spend a single penny!

ROBLOX also offers badge packages; however there is no way of transferring badges between games. ROBLOX has other games such as "Roblox Heroes", "Roblox D&D", and "The Guild 2" (releasing on December 14, 2014).

Some people say that Robux takes too long to obtain in free roam, but with the new update, Roblox changed that by either allowing players to win a certain amount of Robux while playing a game or earn them by watching videos.
