ROBLOX has also come under criticism for not having any sort of Quality Assurance, meaning that there is a high chance that the art in users' games will have issues, such as visual glitches, poor texture quality, and various other issues with the art itself.

A former employee named Chris Misner wrote a blog post detailing how her job at Roblox was "ruining her life". The blog post, which was posted on June 26, 2018, claimed that her bosses were dismissive of her complaints about discrimination at work. After she met with human resources and brought up issues regarding harassment and gender discrimination in the workplace, she said that she was fired for unknown reasons.

14. The only way to get a game on Roblox or get updates onto a game is through requesting it by going to the developers profile on Roblox and requesting the game, as well as getting the updates, and other stuff that goes on within the platform. 15. When people talk about games that do not function properly or have glitches within them, they should not be punished or reported because it's not their fault that there are glitches within the game. 16. Instead of banning them, developers should be able to fix these glitches without getting banned. 17. People always say that Roblox is not a safe place for kids to go on but it's a safe place for kids to play and enjoy free games because all the games are fun and most of them don't have any inappropriate content. 18. I love Roblox so much! I will never ever stop using it...

On April 6, 2015, the company launched a virtual reality project called "ROBLOX VR". It allows users to play in the same virtual world and see each other's avatars. On March 22, 2017 ROBLOX released a new version of its app called Ava (ROBLOX's Mobile Application). See above section for more details.

If you have been looking for a way to hack roblox without having to spend money then the best idea is to use this hack tool. It is free, and there are no catches! You can be sure that you will not get banned in the game for using these cheats.
