Rated 5 out of 5 by Anonymous from It's amazing! Roblox is awesome! It's fun to play with your friends. Also, you can go to ROBLOX Studio and make your own game. I love Roblox! Rated 4 out of 5 by Anonymous from Great game but expensive! I love this game so much, being a teen and teens don't have a lot of money. But it is very affordable.

Robux are the primary currency in Roblox. They can be used to purchase a variety of clothing, accessories (such as hats and T-shirts), tools, gear (backpacks, jet packs, and recovery kits), armor (vests and helmets), vehicles, special movement abilities (for example flying or invisibility), decals (decorative symbols which can be placed on vehicles or buildings) and more. The minimum one-time purchase of Robux is US\$4.95 (\$5 Note: this price has been around since 2013 but was not posted until 2015). Many items require substantially larger sums to afford them.

Most YouTube videos will give you a link that will provide you with a free Robux reward. The amount depends on how many views the video has and the number of subscribers the user has. For example, if an account has over 1 million subscribers, they'll give an extra 2,000 Robux for any views that would put them over 10,000,000 views; however this only applies before rewards are scaled down.

People on ROBLOX are sometimes known to come up with their own language called "Robloxian", which is basically like a mix between English and gibberish. It is not really considered its own language because it's too simple and doesn't have any official dialects or countries.
