On February 4, 2016, Roblox announced that all "Spam" accounts would have their control access taken away for 24 hours. This was done following a warning sent out on January 20th.[69] Spam accounts created prior to August 10th 2016, will receive a permanent ban on February 5th.

On September 11, 2018, Roblox announced that they would be adding new systems to help curb and prevent problems like "Miner's Haven". They stated that users who are reported for breaking these rules will be put on a probationary moderation period, or P-mod. P-mods can say they had violated these rules for up to 72 hours. If the user continues to break the rules and continue breaking it after 72 hours, Roblox will issue a permanent ban for both the user and their account. The users who are in this moderation period will not be able to play Roblox games until 72 hours pass from when the user is released from the P-mod status. The users will also receive a warning from Roblox before they are released from the P-mod status.
