On May 21, 2010, ROBLOX launched its second virtual item, the Accessory Shop. This shop is available only to ROBLOX VIP members and is only accessible by those with a valid VIP membership code. The Accessory Shop was later renamed to the Vault in 2011 before completely changing its name to the Catalog in 2016 combined with the construction of the Warehouse Store. It was renamed again on December 20, 2018 as ROBLOX's new virtual store where you can get things like clothing and accessories for your Avatar with other items like hats and shirts which will be available to other players at the same time for legit ways such as purchase or win from contests or similar events.

On June 26, 2012 (4:00 PM), ROBLOX released a new website design. The new design was made with a goal to have access to the latest news, showcase new games, and improve features in the forums.

In 2011 even mid-tier MMOs released subscription-based multiplayer games.[57] An example of this is Star Wars: The Old Republic, which charges \$15 per month or \$150 per year for access to its game content. World of Warcraft offers paid subscriptions through its Battle.net platform and has done since 2007.
