The company has a 4-star rating on Glassdoor with an overall rating of 2.5 and 13 reviews. This is the highest rated tech company based in the United States that employs over 1000 people. The reviews on Glassdoor were posted between 2014 and 2016 and highlight some of Roblox's positives such as competitive salary and possible career advancement, but also negative aspects such as mediocre work-life balance, poor management and lack of training in some departments. The overall rating is 2.5 stars, the lowest rating given on the site and 5% of all companies with a rating of 3 or higher.

The next game that would allow users to do this was Parkour Paradise on August 16th of 2012. ROBLOX is the first game to have a player base where 70% of their players are between ages 10-15 and 30% are between ages 15-25.[126]

When you wish to get free robux on roblox, then I am sure you have tried quite a few different methods. There are some tools that are really good, but most of them are downside when it comes to how fast they can get you robux. This tool is one of the top ones as it can get you free robux on roblox very quickly without even having to spend a single penny!

There are a few ways to get free robux in Roblox.1.) Game purchases - Unlike other games, there is no way to get free robux through game purchases.2.) Trading with friends - One of the easiest and quickest ways to get free robux is by trading with your friends. However, this can be difficult if you do not know anyone on Roblox or if they are not online.3.) Sell creations on the site - This will give you a certain amount of money every day for free which can help you generate more gameplay time and use more items in-game, but if it's too hard then you might want to try selling your creations on the website first before trying this method

ROBLOX has support for other game engines such as Unity 3D in its games (as seen in "Roblox Community Crash Arena Turbo Stars") and supports creation of games mainly through the use of its Studio application. ROBLOX also has their own scripting language known as Lua. The use of Lua allows users to create their own game modes.
