On September 13, 2016, ROBLOX launched its tenth birthday party along with an event called BLOXtober. The purpose of this annual event is to celebrate ROBLOX's birthday and give players badges for completing The Admin's tasks every day until October 15th. The badge is called BLOXtagger and can be worn on your profile for the year. The tasks were also modified to let you earn the badges by simply logging in every day.

If you do not already have a badge, then you will gain one once you have logged in every day for two days consecutively. At the end of BLOXtober, ROBLOX held a contest called RobIXtheRave, where people were given a chance to win a large sum of money in cash by answering trivia questions that were asked throughout October 11th-13th.

This is one of the best ways for anyone to get free robux on roblox from now on if that is something that interests you. This will be more than enough for anyone out there to use if they need some methods for getting free robux on roblox, and it also comes with a very simple setup process as well. I would definitely recommend using this generator if it interests you!

Rated 5 out of 5 by Anonymous from ROBLOX is the Best Roblox is the most fun thing I have ever done in my life. I play this game because there are still lots of games to play and exciting things to do on roblox and this game includes places all over the world, like, for example: I went to see where Roblox came from and it was really cool! This is one of my favorite games that have ever existed.

Also, it will never be patched as it is a standalone executable file, so you just have to download it and that's it! No need to worry about anything, no activation or installation required. Just download and use! You can also check out this article by Teletalex on how to get free robux for roblox.

Rated 3 out of 5 by Anonymous from Fun Originally got a free trial so I could make my own story but I can't access it now and don't know how to get back in, other than that its a great game with lots of fun to play and its really cheap
